It's officially a spooky season and it's not complete yet without a Halloween special event. This year, StarWORKS Global takes this time of the year to the next level as we host a horror VR experience and games!

To make it more intriguing, we've devised a challenge for people NOT TO SCREAM during the eerie adventure of the VR experience in order to receive special rewards from us. Along with that, there are many fun things to look forward to, such as exclusive spooky beverages that are the ideal company for the night and a Walking Dead zombie costume contest. Make sure to mark your calendars, clear your schedule, and spend Halloween with us because this is an event you don't want to miss.
