StarWORKS Global Pte Ltd Announces STARX Tokens Secondary Listing on COINSTORE

StarWORKS Global Pte Ltd, Singapore, is pleased to announce that as of today STARX Tokens are officially listed on the Singapore exchange - COINSTORE. The second listing of STARX tokens is a significant milestone for StarWORKS following its successful first listing on [LATOKEN](#) on December 24, 2021. STARX Tokens will be paired with Tether (USDT) and will be available for trading at 15:00 (UTC+8).

Graham Bristow, StarWORKS Global Co-Founder, Chairman, and CEO said "STARX will continue to list on an ongoing basis, both on major exchanges and on a local exchange that will include centralized and decentralized (DEX) platforms." This step also offers benefits to the STARX investors and community by connecting them with more people believing in our vision and mission to rebuild and revolutionize the global Tourism, Entertainment, and Hospitality Industry.

About STARX Token

STARX Token is the native currency of and is issued by StarWORKS Global Pte Ltd has been developed based on the Ethereum Blockchain ERC 777 token standard.
